Our Emancipator.

We have just heard that two Editors from Maryland have arrived in our city, they arrive from their respective States, and they are both of the same name, they are both of the name of Mr. J. M. Myers...

The Yankees made a raid up the Valley and coming as far as Woodstock they attacked the place by Mr. Myers with a small force, who owing to the superiority of numbers against him was compelled to fall back...

We hear that Gen. Jones is successful having captured one thousand prisoners and that he is preparing to march to the city of Lynchburg...

We copy below the report of the success of the expedition published in an extra of the 26th, Hook's N. W. Va. Brigade, 2 miles N. of New River...

I attacked the enemy in a strong position on the heights in the rear of Beverly to-day, and defeated and drove him from the town...

There are rumors current on the street of the capture of the enemy on the Shenandoah, and it is reported that they are advancing in three columns...

The Richmond Examiner brings us the good intelligence of the capture of Col. George (Col. Thomas) from a Yankee prison and that he will arrive in a few days by the next flag of truce...

There are rumors current on the street of the capture of the enemy on the Shenandoah, and it is reported that they are advancing in three columns...

We call attention to the anonymous advertisement published in the States Gazette from Danville and House of Representatives...

While engaged in a momentous struggle for Liberty and Independence, we are daily being assailed by those who are bent upon the destruction of our country...

The gentleman first alluded to wrote editing papers in their respective counties, and for some comment on the late election of the Northern States...

While coming up the Valley they were a procession on the way to pay the last rites to a departed friend and relative, who had been killed in the late war...

appointed by President Davis, amid the entreaties of Mrs. Gen. Milroy, to take charge of the property...

There is a rumor current on the street of the capture of the enemy on the Shenandoah, and it is reported that they are advancing in three columns...
