"All to this ways at any rais of classes, but have physics are a subset of the second seco

cere of his own domains by forced loans. In Cinetessel the American and Discoversis have consecutively a transmission of energing the count American and the transmission of the sec-dentities outsty, but it is to be purbed through out the State. J. Scott Harrison, son of the set President, being the another state of the sec-red set of the combined to it make with the foll cooperates of the Dismostratic party. It is to rom as in independent candidate, and the Democrate are to give him their support. The Washington States (Dhaires around state)

Demostra are to give oun lower support. The Washington States (Usugias organ) ad-vises Mr. Bochasan to ouvroue Congress on the literial Monday in September—the substantial reason for an extra session bring fernished by our peculiar relations with Mariou. The State adds that as far as "concerns detriment to good seglightohood, peace and commerces, the gen of the Antilles' is a more stalling blues to the an-press, while Mariou is a bodd, out spoken, pai-

pable reality." The Maine Democracy invite Judge Dapgley, may a correspondent of the Philadelohile Press, to attend their Conrection, and boldy processes, the attending the second to Charleston Anii Bochansa delegates. They copy and shorre the resolutions of the Harrisburg Dolon State Rights Democratic Convention of the JStA of April. This is the terrible news that sect the State, house in past bases.

State, home is pust hases. The Baard of Directors at the Union Theology ind Bamiary, Prance Edward Ox, have recom-mended to the College of Electors of that Insti-tion, the Rev. Prof. Phillips, of the University of North Carolina, as a suitable soccessor to Froid Hage. The Electors will access the June act, and of coarse ratify the recommendation. Mr. Rubt. L. Duyle, of Stannoon, delivered a copical speech on Friday Light last, belows the Gogate Olub of the Charlesswille district. In Groups of the Other Charless The Stanton theorem of an approximations and foreithe langeage, Mr. Duyle, of Stanton, delivered a speakers.
