Staunten Spectutor.

STYPNTON, VA.

Freech revolution, waster the percental of south of blood.

Men and women assistant artested in Washington, New York and Philadelphia (says a cottamporary, samining up the atmoitise of the caurpation,) and thrown into leatheone dongsons, without warrant of law, and without being confronted with melr securers or advised of the charges against them. Journels are suppressed for denouncing the action of the Government. Editors are ligateded and their printing offices depersons sispected of opposite on Spanishi inquisition is the latter said, by those who have seen it, to be persons abjected of opposite or Spanishi inquisition are assessed, in the measure of its cruelty, the present Distribution of the measure of its cruelty, the present Distribution of the measure of the continuation of the continuation of the measure of the measurement of tyrancy, in reproducing the forth Laffar-sets and Hamilton, amount it are any or the continuation of the most finances mee that ever waked the cutted States is prostituted to the rilest purposes of the most finances mee that ever waked the cert. There is no mesh thing as middle or individual liberty in the United States. Mun, to be free must sing; seas to a baboon and worship the Government of empty. The distribution of their own liberties. They that reaction the most unholy war ever waged against a free people. Tagg seast approve of the destruction of their own liberties. They into the continuation of their own liberties. They into the continuation of the con

eys. It indicates a deep and determined opposi-tion to the ansa of the Government, among the wiser and more virtaces men of the North. It frinces that the tyrants are trespling on their thrones see feer the day of seconing, which will sweep them violently from their seats of power. They feer not only the armise of the Confederate S are, which, in the larguage of a symbigs of the thirthet are alreads without the stern accountability for their crimes

s fast as they come. Ere long foreign powers will be seen marching on the field to sainte the

The Battle of Cross Lanes on the 26th of August.
In reference to this battle a Lawisburg corres-

positions writes to us as follows:
"On datuming, the 24th of August, Gampral
Flood, having separated his command from GenWhee's (with the except in of the cavalry) and
having taken, in addition to his own forces, the
restinents of Cols. Tompkins and Enclauding,
advanced on the "Bunday" road to "Caratian's on the first control of the second of the se

or mens upwarus of 30 deas notice have been found and buried, and about 160 talen prisoners: Our men also took 5 wagens and one ambalance:

river.

Skirminking of the Army of the Petomac.
A stirring skirmish took place Thorsday last,
says the Richmond Examiner, in the advance of
the army of the Potomac. For over ten day,
here army of the Potomac is the straight driving in the sickets of the everny and closing up our lines, in cosession of Monson's Mason's and Option's Hills, and strengthened them by saintable entrenchments, it was thought advisable to push on of its occupy Hall's Hill, a mile further in the advance, where the enemy was posted in some force. Cel.

A better day, we believe, is dawning upon tue State of Boone and Clay.

Reason, Right and Vigillance.

The Syracasq (N. Y.) Courier builds forth as follows: upon the overbearing tyramy of the Federal party:

Any man who desires to perpetuate for himself his constitutional rights and privileges must cet that it is due, not to Southern trait are and interests, but to all true and lupal men, to the rights of the loyal North, to his own freedom and to the liberities of his posterity, to rebuke each and of these violations of constitutional right, each and all of these assumptions of unwarrasted and arbitrary lower.

Let men then remember that "sternal rightances to the price of liberty!" Let them awake from their dreams of merseity, from the r fatal aluncter of secontry and conditione. Let them re-

From down to death they are That long at bleemmer's d Willing does and flost The tendle black Burget rank on rank away

From down to dork they fought With lagrous dwept and oleft! While block and wide The hattle-tide They eleved each ghastly gap !
They dressed each chattered rank;
They knew, how well!
That Freedom fel!
With that exhausted flauk!

And down they came. With steel and flame, Four thousand to the fray!

They loft the leggard train; The negating steam might stay; Right through the blackest cloud Their lightning path they cleft Freedom and Fann With triumph came To our immerial Left.

Yet of your fiving, sure!
Yet of your deed, herek.
Monor the brane
Who died to mave
Your all, upon our Left!
