Alleghany Montain on Priday last. To reversal days before the

Allogiany Monstain on Friday last. Torsoveral days before the fight, parties of our mos hid here astivative southing the road down to Grosshier Hyper. The first party un-der Gaphin Wahlas of the Sad Va. Regiment pervest a purity of the Tankees far enough to as-certain that they made meat arsolution time when tarsed toward their own camp on Chest. The mest party andler Gaphin Dabasy, sho of the Sad Begfreet, orrebasied a party of the estury on our thom-billing ope, wounding one. nd routed item-alling one, wounding one ad taking two prisoners. The ext party order digion Ress, also of the 55d Regiment, fell in with a number of the enserty and killed some if son or transity of them. In all these filter none of our sume were burt. ted them killing one, wounding one ing two prisoners. The next party under

On Friday morning, the enousy having collect On Friday morning, the energy having collect-ed frem Chest mountain and beyond some four og fre inhoused men attempted to surprise and expires the position on the Alleghany theoutiato held by soins Hissen hand ad of our raw a under command of Gol, Edward Johnson of the 12th Georgie Regiment. In this attempt, they found that they had supportionally "winked op the swrong pushenger." They drove in our pickets about four ofdeck in the mountly, and mude an attack, men shoch Subtes of our position. ipen both hanks of our position. Having some so far for a fight, it is but just to

ev fought well and obsituately; but r a shatp and severe conflict of about sever vere driven task and ecopletely

Wa have not, as yet, been able to gather th details of the battle, but scough is known to sat infig so that the fight was a gallant cos, and well emission, and that the viotory was complete We asserted his of the casualities attacking

The assertic list of the terminate interaction this vietory has been reserved as yet. Our loss in killed and wounded is reported at about eighty of whom nor r twenty were killed. Among the killed and wunded we have to mourn some gal-lint officer .- Ospialne Anderson and Mildraugh, and Lieutenante Thempson and Moore.

The loss of the energy was very leave, and by late energy in the second was very leave, and by late energy their killed and wounded ap-the field.

We have the astisfaction to sumous having friends in the 52d Regiment that, slibo bearing their part in the engagement, and be calm courses and spirit, not of havia with Near or man beloaging to it was injured, ex-

intingnished gallantry-leading on his men in the thick of the fight with a disregard of person-

danger, which w med the hearts and nerve of all his men. As we give the Federals credit for consistence mirrepresentations, we expect to see in a short

lished in the Northern papers : abed in the A ormsors papers: «CPa War Department is Weblington has re-sived a derpatch soling that on Priday, the 180 recommission in force, "tookin made recommission in force," tookin by aurplish liked a great many of thoma, with but slight loo o the "loyar" force, and, having accompliance solject of the recommission relation in goo rder to their camp on Chesi Monnian." Washington has

.Newsympers "Hard Up;" We learn from the Clarke County Conserve or that in the counties of Clarke, Frederick Jefferson, Berkeley, Morgan, Hampehire, She-nandoah, Pago, Warran, Rockingham, Augusta and Londons, there were published before the war, twenty three newspapers. Now we know Gat are published in these counties it mean that are published in these coeffices there of which are published regularly er-set, and all, with one exception, consider-reflexed in elimensions. These entirely dis-aved, are the Betryvills Journel, Charles-Spirit of Jefferson and Independent Demo Siephersienwin Register, Martinohorg A.-Dach des Bostes Charltonics Roman, Berksley Springs Constitution, Ron ma, pertuar pertuar construction, com-tabilitances and Argus Fieldmont Indenau, Woodstuck Tenth Legica, Luray Derivar, Royal Constantian Argunation of Chiese, Val-manetral, Stannion Findiester and Less-Mirror. The balance are published occa-lut. Theory that itsue that print the Pene nally. Though the times thus rain the Pres of the State, and though Editors are compelled of the orace, and four themes ar most as they medice do for farticles necessary to public a newspace, you there are some for incomblerate and threasonable persons who complain of those who keep their papers is existence by the pub-lication of bail about a

was one of the most, if not the ray most destruc-tive fire which has ever occurred on this coult. next. The loss is supposed to be about \$7,000... 000. Thousands of persons who were invito in a difference, ease, and loaving have been rendered pensiless and are now throws apon the charity of the Confederacy. Warre pleased to see that not only the people, but the Government also of the Confederacy. Warre pleased to see that include the the second second second second the Confederacy. Warre pleased to see that not only the people, but the Government also of the confederacy have schilder a support the confederacy have schilder as a support reaterial aid", will be prompt and their re-nain, and the following will show the prompt ao thom of the President and Congress of the Con-federacy:

vacenecy: To the Congress of the Confederate States

To the congress of the Congenerate Jones, The enlarging which has ladd in ables a portion of the city of Charleston, calls for sympothy and seems to justify the lofter of the manner hardwalfer suggested. The SH South Carrolines will, no doubt, desire to the pacejae of Charleston is shert hour of bigs her resources are now taxed to the p in smissing the invasion of her soil, the intergastice of this divertiment may and deemed usualization to the consistent may and deemed usualization to the consistent. The arXivath Carrolina, in common with the intergraving of his Government and the present distribution of the soil, the present distribution of the source of the source of the distribution of the source with the other Sistes, has made information account of the war, shot his government is unquestionably largely her deblor. With the existing pressure of the samfering in the city of Charleston may be restrained by other demands upon her available means. Under such circumstasses, may up and to blace at the control of the faginature of the Sistes, now in seesion, a portion of the sum we over her.

Sigis now in testing, a portion of the start one her. The magnitude of her calamity is offered as in many for sampling an exception to her favor, and perpendicular starts and the mone perpendicular starts and our an if the perpendicular starts, and our an ecommond, therefore, that Congress makes an ap propriation of suph amount as may be down at the control of the suthorities of the kinks of Such Carolina.

JEFFERSON DAVIS. [Signed.] After the reading of the massage Mr. Kenny, I Louisian, offered the following resolution, hich was maanimously adopted : Resolved, That the sum of two hundred and fly thousand dollars be, and the same is, hereby nity thousand dollars be, and the same is, breeby appropriated, as an advance on account of any doing of the State of South Caroline upon the Gonfederate States, and that the same be paid to such persons as may be authorized by the State of South Carolina to receive it.

The Campaign in Mis The Campaign in Missenria - Col. Majors of she let Missenri. Caralry, whu, has been with Gen'l Price throughout his event-ful campaign in Missenri says that when he let General Price he was on the Osage and advanc-ing towards the Missenri, which be has probably reached by this time. His cavalry, in conjunc-tion with those of McColloch, were in hot pur-tion with those of McColloch. General Frice he was on the Ousge and all values in ited. ing towards the Missoiri, which be has probably reached by this time. His caralry, in conjunc-tion with those of MCOulloch, were in hup pur-shit of Siegel, and preveing the repr of Hunter's interventing column. It was reported that Siegel's command would be captored. Geo. Easing had and his band of Jayhawkors. The following in-ben detailed to look after the Jaybawkors, and it resulting particulars we take from the Mamphila the report of the capture of Monigomery at Yort Aradische, of the 2d instant: offiger of man beloaging to it was injured, set. loopt two incerbers of Uapt. John D. Lilley's Company, Barking and Welch, who w-re wond-d is the legs in the place if ght which preceded the baths. F. We have many ramors of feats of individual of Indian, from the Indian Nation, the same ryemature to publich, hot we cannot be miss. Fast in avjoin the states to will upon that Territory some then in avjoin the states. The states are been stated to pon Missoari. It is the determination the states are been be missed throughout with the states are been be missed by Gaussian and Montgomery have indicated upon Missoari. It is the determination in the Varian and Montgomers have in the Varian and Montgomers and Montgomers and Montgomers and indicated upon Missoari. It is the determination in the Varian and Montgomers and Montgomers and Montgomers and Montgomers and indicated upon Missoari. It is the determination and missoari.

of the Missopriane to alean the Yaukees out of Kansas. The causes of the sudden and disorderly 14 treat of Hunter from Springfield are well under stood in General Price's army. The resignatio of Fremont produced a general disorganizatio upon his column on the retrest, and hurris. for-ward or rather backward, night and day. Strong

hopes, and, indeed, a general belief prevail that his year gnard would be captured. Archlishop Hughes.

It has been supposed by the people of the South that Archbishop Hughes, of New York, had been sent to Europe for the purpose of ad vancing the interests of the Lipsoin Government by using his influence to connieract the repre-sentations of the O-mini-sioners sent from the sentations of the Commissioners sent from the South. We are gravified to learn from a senta-latery source, that his mission is for a contrary purpose. From a Priest of the Church, of which Arobbishop Hughes is the head in this country, Archbishop Hughes is too need to be Southern The Continuant Arone, to be pain of Gen

NEW ADVERTISEMENTS.

TO THE TAX-PAYERS

CONFEDERATE STATES.

CONFIGURATE STATES. WE were laboring under a misspre-ments of the Confederate law, where assounced in our hand-bills that all persons owning less than Five Hundred Dollars were exempt from taxation.— We now wish it to be distinctly under-stood that all persons owning or having the control of any property coming within the list prescribed by law, are required to make returns of said pro-perty, and be taxed accordingly, except hads of families owning less than Five Hundred Dollars worth. These who have not been previously notified, can make their returns to us at the places we have yet to visit, accord-ing of the dist places of the place we have not the places we have not been previously the place we have yet to visit, accord-tion of the dist of the control of the places we have not set of the place we have not been previously the places we have yet to visit, accord-tion of the dist of the control of the places we have not the places we have not been previously the places we have not been previously the place we have not been previously the place we have not been previously the places we have not been previously the place we have not been previously the place we have not the place we have not been previously the place we have not been the place we have not be

armsey who nave not been previoualy notified, can make their returns to us at the places we have yet to visit, accord-ing to the old schedule, or when we re-visit the Precincts of the cannty. JOHN GRILLS will again meet the un-payser of the District known as Dono-ho's, at the following times and places: Sinart's Draft, January 3d; Waynes-boro', 4th; Sherando, 6th; Greenville, 7th; Midway, sth; Middlebroof, 9th; Newport, 10th; Swope's Depot, 11th; Deerfield, 13th; Craigsville, 14th. Sawczt C. Harrns will again meet

SAMUEL C. HARPER will again meet the tax-payers of the District known as itovers, at the following times and

Stover's, at the following times and places: New Hope, January 2d; Waynes-boro', 3d; Mt. Meridian, 4th; Mt. Sid-ney, 9th; Spring Hill, 1th; Mt. Solon, Sth; Parnassus, 5th; Churchville, 10th; Fishenville, 11th. We have given the people all the time we can possibly allow to make their returns in, withont incurring a heavy peualty upon ourselves. The law roquires us to assess the tarable proper-ty of the county, and make out the books by the lat of February--We, therefore, warn all persons that this is positively the last opportanity they will have to give in their returns. Those who 'fail to make their retarns within the time allowed, will certainly be reported to our Collectors, and re-quired to pay double taxes. Property will be assessed at its mar-ketable value the 1st day of October, 1851.

We have instructions from the Secre We have instructions rom the Sector tary of the Treasury to allow no credit for debts; and all property held the 1st day of October, 1861, must be returned. JOHN GRILLS, SAMUEL C. HARPER.
