FOR GOVERNOR. HENRY D. FOSTER,

The Transcript on the "Nigger

Question."

Question." The whole policy of the Niger Democracy has been, for years, to crush out Free White La hor will desbill the unped this of arge-alares in the places accustomed to be flick by while some and daughters of industry who, re-gardlass of the several the object of the seven-tarily prefer to work with there out hands for a hower livelyhood to Irong in idlentes - sup-ported by the several and toil of a lespicel, hower, lorenceuted race of heipleas, heiplas be inter- poor, guorant Africans

We need scarcely tell our readers

over that sheet that there is no mistakover that sneet that there is no mistaa-ing the source. Our readers will recognize it at once, and without any

trouble, as one of the *feats of applied*, that the smart editor of that paper weekly performs, in conformity with its motto, that "it is essential that

public opinion beenlightened." Well, he is the boy to "enlighten" it as "clear as mud," and we are sure our

readers will feel grateful to us for transferring this small sample of his light to our columns, and thus allow

the ambitious editor more room to

spread himself, as his own paper is be coming entirely too contracted for h

extensive pretentions, and wonderful apacity, to show off with advantage. We, therefore, take him under "ou wing" as one of our "tender brood," and considering the material we have

to work on, we hope to bring him out full fledged and able to crow like a

orthography belongs exclusively

It will appear by the extract from an *Transcript* that the maudlin sym-

pathies of its editor is strongly enlist-

ad in behalf of the "poor, hapless, ig-morant Africans."-He means the nig-

gers, of course, but is too polite to his esteemed wooly-headed friends to call

them by any other name than that of "Africans." The Democracy, how-ever, in his exalted estimation, are "niggers"-he professes to know them

by no other name than that of "nig-

christian propensities are excited to such a degree as to induce him to hug the whole wooly headed race to his bo-

som and boo-hoo over them as his "tender brood," but the "Nigger De-

mocracy" are not dark-skinned enough w find a place in his affections. Should

he be crossed in his love for the nig-ger, it is to be hoped that he may not

commit suicide, or die of a broken

seript of the pleasure it finds in term-ing us the "Negro Democracy," but after the love it has expressed for the "ignorant African," and its avowed intention to set the negroes free and : enslave white men and women too, we must consuler the Republican party (Prolonged and scent must consuler the Republican party [Probaged and scattering energy] party. The *Transript* cannot here after, with any show of consistency, call us ugly names. It must give up and Lane is viewed throughout the the becuty and burthen of its editorials, and acknowledge that it prefers the nigger to the white man, or eat its own words.

Will the poor laboring white men, of Franklin county, be found in the ranks of a party that is constantly expressing so much love and so much pity for the nigger and not one word All their efforts are now directed to stock the sugar plantations of Louisi-ana, and the cotton fields of Georgia, with white slaves in place of black ones, so that the nigger may be the nabob and live in idleness. O! tow they do love the mgger, and if they could only get him to vote here, as they have in Massachusetts, their hap-piness would be complete.

The Mavery Question in Congress. Every true friend of our country est measures measures intending to promote the happiness and welfare

can Abolition party, get up in the as such will it obtain their support halls of Congress, avowing their de-termination to leave no stone unturned in agitating this greathumbug slavery give this matter their serious consid-question; when men, professing to be teration if they desire to perpetuate friends of the *ubole*. Union continue the Union as well as maintain the na-to throw one fire brand after another into the shaveholding States, exciting few of us have already, unfortunately, their negroes to rebellion and to cause domestic strife, war and bloodshed— as has been the case heretofore—we will we assist them in the next step say, that when we see the leaders off contemplated—the Dissolution of the as has been the case heretofore—we will we assist them in the next step say, that when we see the leaders of contemplated—the Dissolution of the the Republican Abolition party—and Union? We trust not. the Republican Anomiton party-and will any one deny that the Republican party is not abolitionized ?-using all their power and influence to not only free the negroes, but to put him on an and Johnson, will assemble in Conven-tion for the party of the intervention. equal footing with the white man, and not to rest until they have accom-plished their base and treacherous desian, we do not then wonder that our Southern brethren, belonging to the same Confederacy that we do, living under the protection of the same Constitution, become alarmed and excited. Why all this bitter feeling between the different sections of one common country? It is high time that there try i i us high time that there be a stop put to this slavery agitation.— The welfare of the country suffers by it, whilst our people are made the laughing stock amongst foreign powers.

Judge Douglas, during his recent tour in the eastern States, whilst stop-ping at Boston, where he had been welcomed by thousands of his friends who had been assem ed there, deliv. ered an address, in which he as ake of sions in Congress as the slavery discu follows :

follows : For the last few years, the phoie time of Con-grees has been supplayed in the discussion of the narve quanties, in the statistics of the impor-tant bankes allowing the whole country... (Verous....Thai's any...'Thei's greed.''] Whan-vero yea sub year representatives with they below the support of the Government without herevoing twenty sufficient of deliver a peak, they delive the support of the Government without herevoing twenty sufficient of deliver a peak, they all public the statistic field in the descences of the support of the statistic of delivers a peak, they all public the statistic field in the descences of the support of the statistic time to state memory. Note the niggers all free and make the "white some and daughters of industry" after the ake their piece. The negre must be the mester and thewhite max the devisi Wash you and

nomination, and will be supported by nomination, an i will be supported by the disunion party to a man. There has existed, for years, a turbulent fac-tion, in a few of the Southern States, led on by Yancey and others of that lik, that have been clantoring for disunion until they have become desperpressing so much love and so much latten and they have become desper-pity for the nigger and not one word atten and ripe for treason to their par-of sympathy or cond-dence for them? It wand their country. It was through The "abused, presented race of help," the distantion plottings of this faction less, hapless beings -poor, ignorant that Breckmindge and Lane "received Africates," is the burthen of their source, their nonlinitions. These were the All their efforts are now directed to meen that insugarated the secession involvement at Chapters and are received movement at Charleston, and carried it out in full at Baltimore. Their ob-ject is disunion and not the election of any particular man to the 'residency. Their first step, and the most success-full one they could make in the direc-tion of dissolving the Union, was to divide the Democratic party. They well knew while that was a unit they could never accomplish their hellish purpose. The Charleston Meccury, the organ of the disunion party in the South, has declared most emphatically that the nominations of Breekinridge movement at Charleston, and carried Every series in a set of the set election of Breckinnidge and Lane as the surest means to carry forward the plans of the disruptionists of the South. The Charleston Mercury is known all ever the country as the able and fear-less organ of the disunion party. It est measures—measures intenting of the disruptionists of the Sourn, promote the happiness and welfare plans of the disruptionists of the Sourn, of the country-have suffered by The Charleston Mercury is known all again and again dragging this dark over the country as the able and fear-question into the foreground. The Sourn of the disruption party. It is use be asked, who is the has sustained that party, and advoca-cause of all this strife and animosity, ted this doetrine for years past, and of this delay in our public business? It now places Breckinridge and Lane This question is easily solved. When a the head of its party and will allow men like Hale, Wilson, Seward, Sum- nothing else to be said than that it is ner, and other leaders of the Republi-can Abolition party, get up in the as such will it obtain their support hails of Congress, avoying their de-and the support of the Disunion party.

the Union as well as maintain the na-tionality of the Democratic party. A few of us have already, unfortunately, State in the erned without a struggle. There aided the Southern disruptionists in are within it the character of a formibility con-bustion adverse to the Recoherant, and shi

tion, at Harrisburg, on to-morrow, Thursday, 26th inst. There will, no doubt, be a very large attendance of the leading men in the Democratic party from all parts of the State. We hope to see Franklin county well represented. Her Democracy have al-waysstood faithful by the regular nominations of the party, and in this cri sis we desire, particularly, that her representatives in Convention make wn that she maintains her integrity to the party and her loyalty to the Únion.

We understand the Cumberland Veller Railroad Company will issue excursion tickets to all persons desi-ring to attend the Convention for half the usual fare.

### Hon. A. H. Stophons.

Hen. A. B. Stephens. We are gratified to learn that this eminent stateman has taken the field for Douglas and Johnson, the regular nominees of the Democratic party for President and Vice President. Mr. Starens is one of the most distinguish-ed politicians South of Mason and Dir-on's line and will do our ticket scel-lent service. As a clear headed philosopher and logical debator he has not bis equal in the United States. Many of our readers heard this slo-heat service are achieved one of the best speeches we over listened to a
